County: Inyo

Applicant: High Sierra Energy Foundation

Project Title: LivingWise(R) Program

PROJECT GOAL

The goal of the LivingWise® program is to influence community conservation through education.

PROJECT SCOPE

The grant from the Sierra Nevada Conservancy will allow the High Sierra Energy Foundation to implement the LivingWise program in Home Street Middle School in Bishop. The program will provide students with take-home kits and home activities, that teach the student's entire household valuable conservation techniques. With support from the Sierra Nevada Conservancy, the High Sierra Energy Foundation will be able to further enhance the program by providing guest speakers, additional teaching materials, field trips that demonstrate the entire water cycle from groundwater/surface water collection to wastewater treatment, and by facilitating additional projects such as a solar cooking contest and a water monitoring project. It is the High Sierra Energy Foundation's goal to implement this program at Home Street Middle School from February to May of 2009. The grant request amount of \$20,080.00, supplemented by \$1520 from the High Sierra Energy Foundation's unrestricted operating budget which will pay for administrative costs, will cover the entire cost of the program.
